CONNECTIVITY KITS

Ultrabook/Laptop DVI and Networking Connectivity Kit

Comprehensive Connectivity Kits conveniently compile all the needed cables, adapters and accessories to connect your device to a monitor, projector and/or network!

Comprehensive's Ultrabook/Laptop DVI and Networking Connectivity Kit allows you to connect your computer to any DVI external monitor. Comprehensive's kit also allows you to connect to your network through a high speed ethernet adapter.

The kit includes an HDMI to DVI adapter, which lets you connect any HDMI compatible computer to a DVI external monitor via HDMI. Also included in this kit is a USB to ethernet adapter with Cat5e cable, which adds wired network support.

Comprehensive Connectivity Kits are the must have accessory for anyone using a ChromeBook, Ultrabook, Tablet, Laptop or Smartphone! They are perfect for all mobile and presentation applications including Systems Integration, Education, Government, Corporate as well as for business professionals on-the-go!

Never be caught short again without the adapters, cables and interfaces you need for your next presentation with Comprehensive's Connectivity Kits!

Kit Includes
